~~(A)—Academic reassessment: undergraduate.~~

- ~~(1)—An undergraduate student who has not attended the university of Akron for at least three calendar years and re-enrolls and maintains a grade point average of 2.50 or better for the first twenty-four credits may petition the dean to delete from the grade point average the grades attained under the student's previous enrollment at the university of Akron.~~
- ~~(2)—This policy is to apply only to the grade point average. All grades will remain on the student's official academic record. A student may utilize this academic reassessment policy only once.~~
- ~~(3)—In the determination of graduation with honors and class standing, all grades obtained at the university of Akron shall be used in the calculations.~~

~~(B)—Academic reassessment: graduate.~~

- ~~(1)—A student who meets all the criteria described below may petition the vice president for research and dean of the graduate school to remove from her/his graduate cumulative grade point average all those grades earned under the student's prior enrollment at the university of Akron.~~
  - ~~(a)—Degree-seeking graduate student,~~
  - ~~(b)—Previous graduate enrollment at the university of Akron,~~
  - ~~(c)—Not enrolled at the university of Akron for at least five years prior to current enrollment, and~~
  - ~~(d)—Maintain a current graduate grade point average of at least 3.00 or better for the first fifteen hours of re-enrollment credit.~~
- ~~(2)—If the student's petition is granted, the following will apply to the reassessment policy:~~
  - ~~(a)—This policy only applies to the student's graduate grade point average.~~
  - ~~(b)—All university of Akron grades will remain on the student's official, permanent academic record (transcript); this process will affect the cumulative grade point average only. It will not remove evidence/documentation of the student's overall academic history at the university.~~

- ~~(c) — No grades/credits from the student's prior graduate enrollment at the university may be counted toward the subsequent degree program requirements. Degree requirements may only be met by courses included in the calculation of the student's cumulative graduate grade point average at the university of Akron. Thus, the student who successfully petitions for cumulative graduate grade point average recalculation under this policy automatically forfeits the right to use any of the excluded course work toward the current degree requirements.~~
- ~~(2) — A student may exercise this graduate reassessment option only once, regardless of the number of times the student enters/attends a graduate degree program at the university of Akron.~~
- ~~(C) — Discipline. Continuation as a student of the university is dependent on the maintenance of satisfactory grades and conformity to the rules of the institution.~~
