granted to a student dismissed or suspended for disciplinary reasons.

- (iii) If the student dies before or during the term, is drafted into military service by the United States, is called to active duty, or if the student enlists in the national guard or reserves prior to the beginning of the term. Notice of induction or orders to active duty is required if the student is called to active duty. A student who enlists voluntarily for active duty should see paragraph (B)(2)(b) of this rule.
- (b) In part:
- (i) All refund calculations are determined by class length percentage, not by class meetings completed or class meeting percentage. Class length is defined as the number of days between and including the beginning and ending dates of any given term/session (including weekend days and holidays). The standard fifteen-week fall/spring/summer semester percentages which apply are:
 - (a) If 6.667% of class completed, 100% refund.
 - (b) If 13.333% of class completed, 70% refund.
 - (c) If 20% of class completed, 50% refund.
 - (d) If 26.667% of class completed, 30% refund.
 - (e) If 33.333% of class completed, 20% refund.
 - (f) Greater than 33.333% of class time completed, 0% refund.
 - (c) Refunds for course sections which have not been scheduled consistent with either the standard fifteen-week fall/spring/summer semester scheduling pattern will be calculated on a pro rata basis according to the number of days of the section (class, institute or workshop) which have passed prior to official withdrawal compared to the number of days said section has been scheduled to meet.
 - (d) Refunds will be determined as of the date of formal withdrawal unless proof is submitted that circumstances beyond control of the student, e.g., hospital confinement, prevented the filing of the official withdrawal earlier, in which case the refund will be determined as of the date of said circumstance. The student assumes responsibility for filing for a refund.

- (e) Refunds will be mailed as soon as possible. Refund checks are subject to deduction for any amount owed to the university of Akron by the student. Depending on the date of withdrawal and the refund due, if any, a balance may still be owed on an installment payment plan contract.
- (f) No refund will be granted to a student dismissed or suspended for disciplinary reasons.
- (g) The university reserves the right to cancel a course for insufficient enrollment.
