Classification Specification

Job Title:	Master Painter	Job Code:	94033
Job Function:	Staff	Grade:	08
Job Family:	Bargaining Unit	FLSA:	Non-Exempt
SOC Description:	5000 Facilities Management Division	Date:	7/12

Job Summary:

Under general supervision perform skilled interior and exterior painting. Serve as team leader and train others in proper work methods and procedures.

Essential Functions:

20% Perform all essential functions of a Painter Apprentice. Lead assigned employees in all phases of the Paint Shop Operations, and inspect their work accordingly. Evaluate and plan work schedules. Maintain office records and inventory.

20% Coordinate basic painting jobs, such as offices, classrooms, halls, walls and trim. Patch, sand, print and tape a covering of said areas. Set up ladders, scaffolding and lifts safely. Apply materials via brushes, rollers and airless tools. Responsible for the mixing of materials.

20% Apply materials via conventional spray cup guns, HVLP pressure pots such as lacquers, epoxies, enamels, urethanes, oils, stains, sealers, varnishes and multi-speck.

20% Tape and apply drywall compound on "new" drywall including the installation of corner beads. Apply special texturing and stipple.

10% Communicate with coaches and grounds crew for the setup, layout, stringing and application of material on all athletic fields. Coordinate painting activities with other trades. Perform other duties as assigned by Superintendent/Supervisor.

10% Apply wallcoverings, decals, graphics, lettering, walltalkers and graining.

Education:

Requires a high school diploma or GED, and successful completion of a State Certified Apprenticeship Training Program for Painters

Licenses/Certifications:

Valid Ohio Driver's License.

Experience:

Requires a minimum of 5 years experience in painting various interior and exterior surfaces along with the plastering and wallpapering skills. Ability to use standard powered and non powered tools and equipment such as caulking guns, putty knife, standing implements, paintbrushes and paint spraying equipment required. Ability to perform mathematical calculations associated with trade applications (fractions, ratios, percentages) required. Ability to read, write, observe and accurately follow oral, written and graphic instructions required. Ability to exercise judgment in determining correct course of action when confronted with new situations required. Ability to work alone required. Prior experience in leading others preferred.

Leadership:

Provide guidance to nonexempt staff including general scheduling, assigning tasks and monitoring the work of others, as assigned by the Supervisor.

Physical Requirements:

Must be able to lift 80 pounds without assistance and demonstrate bending, crouching and lifting. Must be able to climb a ladder, scaffolding and work on rooftops.

Working Conditions:

Routine exposure to heat, cold, moisture/wetness, inclement weather, noise, air pollution and heights. May involve exposure to chemical substances, hazards and moving parts. Work schedule is subject to change in accordance with University needs and/or the results of the shift line-up process. Overtime/Call-ins may be mandatory based on University need.

The intent of this classification specification is to provide a representative summary of the types of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description. The University requires that all University employees whose assigned duties include some involvement with The University of Akron's intercollegiate athletics program, comply with all relevant NCAA Bylaws in performing their work.
