Job Function: Staff
Job Family: Bargaining Unit
SOC Description: 8000

Job Code: 80653
Grade: 117
FLSA: Non-Exempt
Date: 6/15;2/5/14

Job Summary:

Coordinate the open labs, supervise student assistants and provide instruction. Maintain safety standards and lab equipment in assigned labs.

Essential Functions:

30% Supervise student assistants and open lab hours in wood and metal shops. Demonstrate procedures, maintain safety standards, and provide technical advice mainly to students and to others.

30% Maintain tools, equipment and materials to provide a safe and productive work environment in sculpting but may work in other areas in the school.

20% Design and fabricate equipment for the 3-D areas and other areas in the school. 10% Gather materials, tools, equipment and parts for 3-D areas.

10% Assist with student exhibitions, faculty projects and artist in residence projects.

Education:

Requires a relevant Bachelor's Degree.

Licenses/Certifications/Requirements:

None.

Experience:

Requires a minimum of 2 years experience working in an art lab providing instruction to students. Knowledge of safety and ability to maintain an orderly working environment required. Knowledge of maintenance and repair of a wide variety of hand and power tools required. Ability to organize material tools and general functions of 3-D areas (sculpture, metals and ceramics) required. Strong communication skills and ability to provide instruction required.

Leadership:

Responsible for directing and monitoring the work of student and/or temporary workers.

Physical Requirements:

Light physical effort required involving stooping and bending; individual has limited discretion about walking, standing, etc.; occasionally lifting of lightweight objects (up to 25 lbs.).

Working Conditions:

Standard working environment with possible minor inconveniences due to occasional noise, crowded working conditions and/or minor heating/cooling or ventilation problems. Near continuous use (>70% of the time) of a video display terminal.

The intent of this classification specification is to provide a representative summary of the types of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description. The University requires that all University employees whose assigned duties include some involvement with The University of Akron's intercollegiate athletics program, comply with all relevant NCAA Bylaws in performing their work.
