6. Based on your goals for the year, outline what decision were made or action items discussed during this month's meeting that moved goal(s) forward

The committee discussed changing the language to our second goal regarding BrightSpace usage. It was suggested that "encourage" and "support" is not strong enough language and that the goal should "require" that faculty use the platform.

7. Provide Meeting Minutes/Monthly Report or reason for meeting cancellation here (do not attach minutes as a document in #8 below).
